- 3.01 The rights of the City as exercised by the City Council and the City Administration include, but are not limited to the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service, determine the procedures and standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means, and personnel by which government operations are to be conducted; determine the content of job classifications; require that employees work overtime; and exercise complete control and discretion over its organization and the technology of performing its work; except that any agreement between the City and Association evidenced by a Memorandum of Understanding pursuant to GC 3500 et.seq. shall take precedence over any of the above enumerated employee and management rights; and that such Memorandum of Understanding will be honored in good faith during the life of this contract; subject to the City's right to determine when an emergency exists and to take all necessary action to carry out its mission in emergencies.

4.21 In the event a conflict in interpretation between these personnel rules as included by reference and similar sections as contained in this MOU, the language in the MOU will be used for interpretation.

5.00 ARTICLE V — SALARY, WAGES & PAID BENEFITS

5.01 The SALARIES AND WAGES paid by the City to employees in the Police Unit will be in accordance with the job classifications they hold with pay rates to be amended as follows according to the City's adopted salary range schedule (See Attached Salary Schedule Appendix A).

5.02 The above classification and range for the position of Police Officer includes special assignment work such as Information Systems, Specialized Enforcement Teams including gang enforcement, etc. Employees who are assigned to these assignments will not be entitled to any type of additional pay for the performance of these assignments.

5.03 Special assignment work as School Resource Officer, Investigations (Detective) Task Force Officer and Traffic Officer will be paid a five (5%) percent assignment pay effective July 8, 2006.

5.04 Effective June 18, 2006, base salary shall be increased by two (2.0%) percent. Effective April 1, 2007, base salary shall be increased by two (2%) percent.

5.05 Effective June 18, 2006, base salary for the rank of Corporal shall be increased by an additional two-and-one-half (2.5%) percent above the across-the-board two (2%) percent.

5.10 Holiday Pay

5.11 Holiday Pay for those personnel entitled shall be six and a half (6.5%) percent of base salary. If the City Council declares an additional holiday for City employees during this agreement, an additional one-half (.5%) percent holiday pay will be granted.

5.20 Other Pay

5.21 Callback Pay

Callback pay is paid at a two (2) hour minimum at the employee's overtime hourly rate. Such pay is recognized as any assignment worked which is not contiguous with a regular shift. When overtime worked is contiguous to a regular shift, either preceding or afterwards, it is recognized as a shift extension, and shall be compensated at the normal overtime rate for completed fifteen (15) minute increments worked.

5.22 Shift Supervisor Pay

The City shall pay an additional \$1 per hour for Police Officers temporarily assigned to work as Shift Supervisors.

5.23 FTO Pay

Individuals in the classification of Police Officer serving as Field Training Officers shall receive additional compensation of One Dollar and Fifty Cents (\$1.50) per hour for time spent training newly hired Police Officers.

5.24 Canine Pay

The Police Officer assigned to the special assignment of Canine Officer shall be authorized three-and-one-half (3.5) hours weekly on an overtime rate for animal care. In lieu of any or all of the allotted overtime hours (3.5 hours) each week, if staffing allows, the Canine Officer may adjust his/her schedule to offset the overtime for the animal care. No additional time shall be worked without the express approval of the Department.

5.25 Bilingual Pay

Unit employees certified by the Chief of Police to: (1) have an effective working command of the Spanish language; and (2) to use Spanish in their work, shall receive, effective the first payroll period following ratification of this agreement, five (5%) percent of base salary as bilingual pay.

A. The City may, at its sole discretion, identify other languages which are helpful to the operation of the Police Department. Unit employees certified by the Chief of Police to: (1) have an effective working command of those language(s); and (2) to use the language in their work, shall receive an additional three (3%) percent of base salary as bilingual pay.

B. All employees receiving bilingual pay shall be subject to recertification every two years unless the certification is waived by the City. Any employees wishing to receive bilingual pay must be certified prior to pay implementation. The Certification process will be completed by a three-person employee board and will consist of a verbal test designed to establish a basic conversational level of competence.

5.26 Court Pay

Court pay is paid at a four (4) hour minimum at the employee's overtime hourly rate. Such pay is recognized as any court assignment worked which is not contiguous with a regular shift.

- A. The minimum an employee can receive for a court appearance cannot cause the employee to receive a rate of pay which overlaps into their regular shift. The time between the start of the court and the start of the scheduled shift shall be paid as governed under the City's overtime policy and the employee will be required to report to work. The same "overlap" rule applies for a court appearance which begins within thirty (30) minutes time of the end of a regular shift.
- B. Employees shall be compensated for travel time. Travel time is any time in excess of the time the employee spends going to and from a court appearance. If the sum of the travel time and the court appearance does not exceed the four (4) hour minimum paid for court appearances, or if the time overlaps into the employee's regular shift, no additional overtime compensation will be paid. Normal commute is defined as the time necessary for an employee to travel from their residence to the Morgan Hill Police Department based on the distance and prevailing commuter speeds and congestion.

Employees are not required to drive a City vehicle to court, but may be provided a City vehicle for out of County travel, if available. Employees will be reimbursed at the current IRS rate for use of their personal vehicle when making in-County or out-of-County court appearances.

- C. Except as provided herein, employees receiving overtime court pay shall not receive reimbursement for meals nor will they receive overtime pay for court meal recesses. Employees held over through a court lunch recess, but then released from court immediately following the recess, shall receive overtime pay for the lunch recess, not to exceed one hour.
- D. Only one four (4) hour minimum compensation for an off duty court appearance will be paid per day. If additional off duty court appearances are required beyond the time covered by the four hour minimum, the officer shall be paid at the overtime rate for actual hours worked as governed by the City's overtime policy.

5.27 Court Stand-by-Pay

In the event that employees in the Police Unit are assigned by the Police Chief or designate to remain on call for the purposes of court standby, the said employees shall receive one quarter straight time pay for every hour on standby, with a two hour minimum and a eight hour maximum per court day.

- A. As referred to in this agreement, court standby is defined as time in which the off duty activity of an employee covered by this MOU is restricted due to the inevitability of said employee having to respond to court within the succeeding twenty-four (24) hours.

- B. The Police Chief or his/her designate shall be responsible for informing appropriate court officials of the above stated court standby procedure and any conflicts resulting from the procedure.

5.28 Rest Period Between Shifts

Sergeants/Corporals/Officers who are assigned to and actually work more than four hours between two regularly scheduled 12 hour patrol shifts, shall be entitled to an eight hour rest period between shifts. The eight hour rest period may not necessarily consist of eight consecutive hours, depending upon the circumstances. If any portion of the eight hour rest period occurs during the employee's regularly scheduled 12 hour shift, the employee shall receive normal compensation for that time.

For example, an Officer goes off duty at 7 a.m., and is subpoenaed to court at 8 a.m. The officer remains in court until 3 p.m. and is scheduled to return to work at 7:00 p.m. In this case, the Officer could return to work at 10:00 p.m. without loss of hours or need to use accrued time off for the three hour period of the regular work shift.

- A. In order for this provision to take effect, the Sergeant/Corporal/Officer is responsible to contact the Watch Commander to request this rest period as soon as he or she is aware that it will be required so that ample time is available to arrange for replacement officers if necessary.
- B. The Watch Commander may exercise discretion as to the exact time the Sergeant/Corporal/Officer must report back to work, based on individual circumstances and operational needs, so long as it complies with the intent of this section.
- C. This section shall not apply to voluntary overtime work assignments between shifts which are worked at the option of the individual employee.
- D. This section shall not apply in emergencies such as mutual aid mobilizations or natural disasters.

5.30 Overtime/Compensatory Time

5.31 Overtime/comp time is defined as one-and-a-half times an employee's base hourly salary. Overtime/comp time shall be calculated on a minimum of fifteen (15) minute increments actually worked beyond the employee's normal work shift. For clarification this means; 15-29 minutes = 15 minutes of overtime pay, 30-44 minutes = 30 minutes of overtime pay and so on. All such time must be approved in advance with the employee's supervisor or Police Chief.

5.32 Employees who have accrued vacation and/or compensatory time off at least equal to eighty (80) hours shall have the option of receiving pay in lieu of time off for forty (40) hours of the accrued time, provided that they are taking forty (40) consecutive hours of vacation and/or compensatory time off. Payment shall be made at the straight time rate. Employees may elect this option only one time per fiscal year.

- 5.33 Unit personnel will have the option of receiving either paid overtime or compensatory time off. The compensatory time accrual limit for the term of this agreement is 160 hours.
- 5.34 Unit personnel may elect to make contributions to one of the City's deferred compensation plans in a given pay period in lieu of receiving paid overtime. These contributions can be one time, lump sum contributions or unit personnel can temporarily increase the amount of their established deferral five times in a given fiscal year. For example, if an officer works overtime in a given pay period, he/she may temporarily increase the amount of their deferred compensation contribution for that pay period. Unit personnel must submit a completed deferred compensation enrollment/change form to the Human Resources Office prior to the end of the pay period for which they wish to have the change be effective.

5.40 Base Work Schedules

- 5.41 Sworn Police personnel will work schedules based upon assignment as follows:
- A. For purposes of calculating overtime, comp time and defining payroll periods, the established work period is a fourteen (14) day period, recurring every fourteen (14) days, beginning at 12:01 a.m. every other Sunday and ending every other Saturday, 14 days later, at 12:00 midnight. For purposes of establishing a control point, the first work period cycle for this contract period begins on Sunday, September 12, 1993 at 12:01 a.m. and ends on Saturday, September 25, 1993 at 12:00 midnight.
 - B. The work day, for pay purposes, shall be a twenty-four (24) hour period within which the employees' regularly scheduled shift begins.
 - C. Sworn personnel assigned to Patrol will work an approved flexible schedule of five 12 hour work days and two 10 hour work days totaling no more than eighty (80) hours per pay period.
 - D. Sworn personnel assigned to Special Operations Division will work an approved flexible schedule days totaling no more than 80 hours in each pay period. However, officers assigned to work in conjunction with other government agencies shall work schedules which are compatible with the joint needs of the Department and the other agency, not to exceed 80 hours in each pay period.
 - E. Sworn personnel assigned to any other special assignments that do not fall into any of the assignments listed in 5.41 C through 5.41 D will work an approved flexible schedule totaling no more than 80 hours per pay period. Sworn personnel on extended leave (excluding vacation and compensatory time off) of two weeks or more will be assigned a base 40 hour per week, Monday through Friday, 8 to 5 work schedule. For such individuals who are on 4850 time, the schedule reassignment will not affect compensation.

- F. The Police Chief retains the right to make any special exceptions to the above schedules:
If at any time it becomes evident to the Police Chief that the most efficient use of staffing to meet the workload demands of the community is not being met the Police Chief reserves the right to modify work schedules on a temporary or permanent basis. The City will attempt to give the affected employee as much notice as possible, but at least three (3) full working days notice prior to the effective date of any schedule change.

- B. Ninety-six and one-half percent (96.5%) of the lowest cost PEMHCA medical health plan plus dental for employees with employee plus one coverage.
- C. For those employees who waive medical and/or dental coverage, or who have employee only coverage, the health allowance contribution will be \$610. Employees not using all of the benefit amount shall be entitled to use fifty (50%) percent of the surplus amount for optional benefits or for participating in medical reimbursement or dependent care expense accounts. If employees do not use their fifty (50%) percent surplus for optional benefits, it will be added to their salary as taxable income.

5.52 The City agrees to provide, at City expense up to 100 percent of the premium costs per employee, the Psychological Health Program as presently constituted.

5.53 All members shall have the option of continuing their current medical insurance at the employee's own cost after retirement. This option can continue as long as there is no lapse in coverage and the employee pays the monthly premium to PERS or to the Finance Department as per their billing requirements.

Upon expiration of the approved leave, the employee shall be reinstated to her former position or to a comparable one if the former position is abolished during the period of leave and the employee would otherwise not have been laid off. Prior to the employee being reinstated, the department head may require a statement from the attending physician that the employee is physically capable of resuming the regular duties of her position.

7.62 Where it is the opinion of the department head that the employee should be placed on leave sooner than prescribed by her physician due to her inability to perform the regular duties of her position or for the protection of the employee's personal health and safety, the department head shall direct the employee to be examined by a second physician. The cost of this examination shall be paid by the City and shall not be ordered without prior approval of the appointing authority.

7.63 An employee may, based upon medical factors, request that her leave be extended beyond one hundred and twenty (120) days and shall submit a supporting statement from her attending physician. The department head, with the prior approval of the appointing authority may extend the leave for up to one hundred and twenty (120) days.

9.00 ARTICLE IX — MISC POLICIES AND PROCEDURES

- 9.01 The parties to the Memorandum of Understanding recognize and acknowledge that the services performed by the City employees covered by this Agreement are essential to the public health, safety and general welfare of the residents of the City of Morgan Hill.

9.10 Watch Swaps

- 9.11 A Watch Swap is a voluntary agreement between two sworn department members of similar rank to trade a specific and equal number of work shifts. When one officer agrees to work for another, the second officer must reciprocate by working an equal amount of time for the first officer. When a trade is agreed upon and reciprocated, both involved officers will have accounted for 2080 base work hours per year.

- 9.12 Sworn department members may negotiate Watch Swaps among their peers provided that:

- A. The involved officers complete the Watch Swap Request at the bottom of the overtime form at least one working day prior to the swap.
- B. The Watch Commander for the affected shift approves the request.
- C. The trade is among members of a similar rank (Ofc.& Ofc., Ofc. & Cpl., Sgt. & Sgt., Sgt. & Cpl.).

- D. The regularly scheduled officer shall code his/her time sheet as if he/she had worked.
- 9.13 The reverse portion of the Watch Swap may occur at any time at the member's direction provided that the steps listed above are also followed for the reverse portion of the Watch Swap. The reverse portion of the Watch Swap is the sole responsibility of the two involved officers. No officer shall have any recourse with the Department for failure to pay back a shift or for working in excess of 80 hours per pay period without overtime in which a Watch Swap was negotiated.
- 9.14 Watch Swaps are intended to be a convenience for the regularly scheduled officer and it is the sole responsibility of the regularly scheduled officer to ensure that his/her replacement reports to work. If for any reason, the replacement officer fails to appear for duty, the regularly scheduled officer will be ordered back to work, or if that is not possible, will be considered to have taken the day off without pay. Since Watch Swaps are usually the result of inadequate staffing to allow that officer to take time off by other means, the regularly scheduled officer may not account for the missing time by use of sick leave, comp time, or the like.
- 9.15 The Watch Commander shall not approve a Watch Swap for the purposes of allowing the regularly scheduled officer to work an overtime assignment the same day. The Watch Commander may disapprove Watch Swap requests due to operational needs. Examples may include days on which there are planned special events that require maximum available staffing, etc.
- 9.16 The Chief of Police may evaluate this process from time to time and may suspend this process if it becomes apparent that officers are failing to honor Watch Swap commitments.
- 9.20 Work Stoppage, Any Job Action, Slowdown**
- 9.21 The Association agrees that under no circumstances will the Association recommend, encourage, or cause work stoppage, any job action, slowdown in any office or department of the City, nor to curtail any work or restrict any production, or interfere with any operation of the City. In the event any such work stoppage, any job action, slowdown is instigated by the Association, the City shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.
- 9.22 In the event of any work stoppage during the term of the Memorandum of Understanding, whether by the Association or by any member of the bargaining unit, the Association by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the City. If in the event of any work stoppage, any job action, slowdown the Association promptly and in good faith performs the obligations of this paragraph, and providing the Association has not otherwise authorized, permitted or encouraged such work stoppage, the Association shall not be liable for any damages caused by the

violation of this provision. However, the City shall not be liable for any damages caused by the violation of this provision. However, the City shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the City shall also have the right to seek full legal redress including damages, as against any such employee.

9.30 Light Duty Determination

9.31 In the event an employee is injured and may be able to return to work but not able to perform all their normal duty assignments, a temporary “light duty” assignment may be made by the City provided that a suitable light duty assignment is available within the department. To be eligible for such a modified assignment, the City may require the employee to provide the Human Resources Office a medical statement from his/her treating physician that clearly states the medical limitations and abilities of the employee. The City may require a second or third doctor’s determination at City expense.

9.32 An employee receiving such a light duty determination could be reassigned to any type of forty hour work week or reduced work schedule and may be assigned to any type of job or task consistent with the light duty limitations upon the determination of the Chief of Police. Once the employee was certified by the City doctor as no longer in need of light duty, they would be reassigned to their normal work.

9.40 Substance Abuse Policy

9.41 The City and the Association will mutually agree the City of Morgan Hill will maintain a drug-free workplace. Alcohol and drug abuse on the job will not be tolerated and will result in immediate disciplinary action. Drug or alcohol abuse off the job which can be shown to effect on the job performance or safety will be documented and will result in quick disciplinary action up to and including termination. The City cannot and will not put its employees or members of the general public in danger by having an employee on duty who may be a risk to others.

9.42 The City does not intend to test any existing employees for drug use unless a documented reasonable suspicion exists and will be bound by applicable State and Federal Laws.

9.43 The Association and the City recognize the need for a drug-free workplace and the need to assist employees whose job performance is impaired due to chemical or alcohol dependency. The Association and the City agree to abide by the Substance Abuse Policy dated September 25, 1990, as adopted by the City Council.

9.50 Emergency Waiver Provision

9.51 In the event of circumstances beyond the control of the City, such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, the provisions of the Memorandum of Understanding which restrict the City’s ability to respond to these emergencies shall be suspended for the duration of such emergency. After the emergency is over, the Association shall have the right to meet with the City regarding the impact on employees of the suspension of these provisions in the Memorandum of Understanding.

9.60 Preferred Vacation Sign-up and Shift Selection

- 9.61 The sign-up period for preferred vacation begins on February 1 of each year.
- A. Each member may sign up for only one preferred vacation period of 34 hours or more, not to exceed 4 consecutive weeks of preferred vacation per fiscal year unless specifically authorized by the Chief of Police.
 - B. A maximum of two patrol employees may request preferred vacation during the same week, provided the employee with the least seniority must select a patrol shift slot with different days off from the senior employee for the shift rotation period during which the vacation will occur.
 - C. Preferred vacations which are in compliance with subsections A and B above will be approved and posted by March 15, following the sign-up period.
 - D. An employee who fails to request a preferred vacation, or who does not take a preferred vacation which has been approved, shall lose any right to a preferred vacation until the next sign-up period.
 - E. Every sworn member of the Department covered by this MOU shall be included in the sign-up for the preferred vacation schedule.
- 9.62 The sign-up period for shift selection begins at least forty-five (45) days prior to the next shift rotation. Sergeants/Corporals/Officers shall select shifts for a four month period, beginning the start of the first pay period in October, February and June.
- A. The approved schedule will be posted at least twenty (20) days prior to the date the schedule is to become effective.
 - B. Officers/Corporals/Sergeants may only select the same shift for two consecutive Watch rotations. Officers/Corporals/Sergeants are required to select another shift for a minimum of one four month period. The City shifts are designated as the Day, Evening and Overlap Watches. Different days off do not constitute a different Watch.
 - C. If, due to this seniority-based selection process, a Sergeant/Corporal/Officer has no choice but to select a shift for the third time, the Division Commander may assign that officer to another shift. If this assignment requires placing the Sergeant/Corporal/Officer in an occupied slot, the assignment shall be by seniority from those who have not worked the "third term shift" the previous period.
 - D. Officers who have been assigned to the Patrol Division for three or more consecutive years are required to select a specific Watch if that Officer has not selected that Watch during the past three years. Officer(s) who are assigned as Canine Officer(s) will be excluded from the day shift rotation. For example, an Officer must select to work a Day Watch if, during that

past three consecutive years, that Officer has been assigned to the Patrol Division and has rotated between the Evening and Overlap Watch. Or, an Officer who is reassigned to the Patrol Division after spending a minimum of two years in another Division, must work each Watch for at least one rotation during the next three years.

- E. The Operations Division Commander may elect to administratively assign a Sergeant/Corporal/Officer to a specific shift for the good of the organization. Examples may include, but are not limited to, long-term personnel shortage, career enhancement of probationary employees. Any “bumping” of personnel done in order to accomplish this shall be done by seniority.
- F. Once a shift schedule has been finalized for the period, Sergeants/Corporals/Officers may mutually swap shift assignments only upon the recommendation of both the affected supervisors and with the approval of the Operations Division Commander.
- G. Only sworn members of the Department who are covered by this MOU and who are assigned to the Patrol Division, or who, prior to the start of the sign-up period, have received an order assigning them to the Patrol Division during the subject shift rotation, shall be assigned a “sign-up due date” for shift selection.

9.63 Sign-up Procedures

- A. At least three (3) weeks prior to the beginning of the sign-up period for either a preferred vacation or shift selection, every affected sworn member assigned to the patrol division, or who has been issued an order assigning them to the patrol division, will be assigned a “sign-up due date” for shift selection.
- B. Each affected officer is solely responsible for preferred vacation or shift selection sign-up on their assigned date. They may be done using one of four methods:
 - 1. The officer may come to the station and physically sign-up for an available vacation or shift slot.
 - 2. The officer may phone the Watch Commander and verbally select an available vacation or shift slot. (If the Watch Commander is not in the office, the officer is responsible for leaving the Watch Commander a return phone or pager number where the officer can be contacted at the Watch Commander’s earliest convenience).
 - 3. The officer may leave a message for the Watch Commander in advance of the assigned sign-up date, listing desired shift selection(s) and a phone number where the officer can be reached on the sign-up date in order to resolve any conflicts; or

4. The officer may notify the Watch Commander in advance that no selection is desired.
- C. If an officer fails to sign-up on the assigned date, that officer forfeits his/her seniority benefit and his/her name will be placed in a pool at the bottom of the list. When the assigned dates have been passed, a preferred vacation or shift selection schedule will be posted. Officers listed in the pool will have until the end of the sign-up period to submit a request of available slots. For preferred vacations, this period will end on March 1 of each year. For patrol shift selection, this period will end twenty (20) days before the next shift rotation. Requests from officers in the pool will be granted on an as-available basis in seniority order. If no request is made, or if a request conflicts with other previous sign-ups, vacations will be approved on a first-come/first-serve basis, and shifts will be administratively assigned.
- D. Sign-ups will be on the officer's own time if the assigned sign-up date falls outside of regular work time.

9.70 Department Seniority

- 9.71 Department wide seniority shall be used to determine the schedule for vacation selection, and seniority within a classification is used for shift selection within Department Divisions. If a conflict between these two methods of establishing seniority arises in the process of shift selection, seniority within a classification shall prevail.

9.80 Facial Hair

- 9.81 Unit employees will be allowed to grow facial hair. Facial hair shall be maintained in accordance with standards established by the Chief of Police.

9.90 Vehicles

- 9.91 In accordance with Department guidelines, Detective vehicles and Canine Vehicles will be available for officers to utilize on a take home basis provided that they live no more than thirty (30) minutes driving time (mutually understood to include Hollister) from the police station. Employees are provided these vehicles to be available for call. Due to operational needs, employees may be required to leave their take home vehicle at work.

9.95 Practice Firearms Training

- A. The Department will provide up to Fifty (50) rounds of ammunition each month to those sworn officers who wish to conduct firearms practice during the month. Additional ammunition will be provided for subsequent months only when rounds already provided have been utilized.
- B. Individual practice must occur off duty on the officer's own time.
- C. Practice must occur at an approved range.
- D. All practice must conform with the general orders of the Department.

10.00 ARTICLE X — COMPLAINT/GRIEVANCE PROCEDURE

- 10.01 A complaint is defined as an allegation or charge against a party that a wrong has been committed. The complaint procedure is defined as the orderly process by which a determination is made as to whether or not a wrong has been committed. Each of the following steps is to take no more than five (5) working days to complete before the complaint proceeds to the next step.
- 10.02 Step 1: The employee should review any complaint with his/her supervisor. The supervisor is required to review every complaint and attempt to settle it as quickly and fairly as possible.
- 10.03 Step 2: If the action taken by the employee's supervisor is not satisfactory, the employee has the privilege of taking the complaint to successive levels of supervision as determined by the chart of administrative organization up to and including the Police Chief.
- 10.04 Step 3: If the complaint is against the immediate supervisor, the employee may proceed directly to the next higher level.
- 10.05 Step 4: If the complaint is not resolved in Step 2 or Step 3, the employee may take the complaint to the Human Resources Director. The decision of the Human Resources Director will be final.
- 10.06 If the complaint is an issue which could fall under the grievance procedure as outlined in this MOU, the time requirements for the "grievance" are waived while the issue is attempted to be resolved via this complaint procedure. The time limits involved in the grievance procedure will be followed once the complaint procedure has been exhausted and the complaint comes under the guidelines as outlined in the grievance procedure.

10.10 Definition of a Grievance

10.11 The following grievance procedure shall be in effect:

A grievance is defined as any dispute involving the interpretation, application or alleged violation of:

- A. A current Memorandum of Understanding between the City and a recognized employee organization.
 - B. The City's Personnel Ordinance and these Rules where the provision in dispute is within the scope of representation.
 - C. A specific violation of State or Federal Law.
The POA Board by majority vote and certifying this vote in writing to the City could move a grievance wherein there is an alleged specific violation of State or Federal Law.
- 10.12 Should any dispute concern an agreement, rule or action which prescribes a separate appeal procedure, that dispute shall be excluded from the procedure contained herein.

10.20 Informal and Formal Grievances

10.21 Step 1. An employee who has a grievance shall bring it to the attention of his immediate supervisor within five (5) working days of the occurrence of the act which is the basis for the dispute. If the employee and the immediate supervisor are unable to resolve the grievance within five (5) working days of the date it is raised with the immediate supervisor, the employee shall have the right to submit a formal grievance which shall contain the following information:

- A. The name of the grievant.
- B. The grievant's department and specific work site.
- C. The name of the grievant's immediate supervisor.
- D. A statement of the nature of the grievance including the date and place of occurrence.
- E. The specific provision, policy or procedure alleged to have been violated.
- F. The remedies sought by the grievant.
- G. The name of the individual or organization, if any, designated by the grievant to represent him in the processing of the grievance. However, in no event, shall an employee organization other than the one which formally represents the position occupied by the grievant be designated as the grievant's representative.

10.22 Step 2. An employee dissatisfied with the decision of the immediate supervisor in Step 1 may submit the grievance to the Police Chief within seven (7) working days from the date of the immediate supervisor's decision. The Police Chief shall respond to the grievance in writing seven (7) working days from the date of its receipt.

10.23 Step 3. If the employee is dissatisfied with the decision of the Police Chief in Step 2, he may submit the grievance to the appointing authority within ten (10) working days from receipt of the Police Chief's response. The appointing authority or his designated representative shall respond to the grievance in writing within the ten (10) working days of its receipt. Within this period the appointing authority, at his discretion, may conduct an informal hearing involving the parties to the dispute. (Appointing authority is the City Manager)

10.24 Step 4. If the employee is dissatisfied with the decision of the appointing authority, he may submit the grievance to an Employee Relations Panel as provided in section 10.30 of this MOU. Notice of such appeal must be filed in writing by the employee with the appointing authority within fifteen (15) working days of receipt of that official's decision.

10.30 Employee Relations Panel

10.31 The Employee Relations Panel shall consist of three (3) members selected as follows:

- A. A City representative selected by the appointing authority.

- B. An employee representative selected by the grievant; provided, however, that the participation of the employee representative shall not be a potential recipient of the grievance settlement.
 - C. A representative of the California State Mediation and Conciliation Service, or an individual acceptable to both the appointing authority and the grievant, who shall serve as chairperson. An individual, other than a State Representative, chosen by the parties shall be knowledgeable in public sector labor relations and may be chosen from any source reasonably likely to produce such an individual, including but not limited to a labor organization or management organization.
 - 1. The chairperson shall serve without compensation unless it can be demonstrated that the individual was obliged to use accrued leave benefits or leave without pay to serve on the Panel. Where provided, compensation paid shall be shared by the City and the grievant, or the employee organization.
 - 2. The Panel shall be constituted and hear the grievance within thirty (30) working days from the filing of the appeal with the appointing authority. The Panel's decision shall be rendered within fifteen (15) working days from the conclusion of the hearing. The majority decision of the Panel shall be final and binding, subject only to ratification by the City Council if said decision mandates a capital expenditure or significant, unbudgeted expenditures. In those instances the ruling shall be submitted to the City Council for action which may include modification or reversal.
- 10.32 The conduct of the Panel's hearing shall be governed by the following ground rules:
- A. All hearings shall be convened during regular established City hours to the extent feasible. The grievant, and City employees serving on the Panel or whose participation in the hearing is required by the Panel, shall not suffer loss of wages for time devoted to this purpose during other than the employee's regularly scheduled work period, no compensation shall be provided.
 - B. All hearings shall be conducted in an expeditious manner, with the chairperson retaining final authority to the rule on procedural matters or on other points affecting the length and conduct of the hearing. Legal Counsel, court reporters and briefs shall only be utilized upon agreement between the city and the grievant and shall not serve to delay the Panel's decision beyond the prescribed time limit, except by mutual agreement.
 - C. The Panel shall be committed to resolving the grievance in an objective, timely and equitable fashion and shall not permit either party to engage in any presentation or line of argument which detracts from this purpose. Moreover, the Panel shall not accept evidence not presented in Step 3 of this procedure.
 - D. No hearing shall be convened unless both parties have stipulated in writing to the issue or issues to be heard by the panel.

10.40 General Conditions

10.41 Any time limit set forth in 10.20 or 10.30 of Article X of this MOU may be extended by written agreement between the City and grievant or the recognized employee organization representing the grievant.

- A. Failure on the part of the grievant or their designated representative to comply with the time limits of this procedure or any extension thereto shall constitute a withdrawal of the grievance without further recourse to re-submittal under this procedure. Failure on the part of the City to comply with prescribed time limits or extension thereto shall result in the grievance being moved to the next step of the procedure.
- B. The grievant shall be entitled to have a representative of his/her own choosing, except as provided in 10.20 - 10.40 of Article X of this MOU, present at any grievance meeting with the City.
